

Bringing the Power of Christ to Your Sidewalk Witness

**Join the Sisters of Life as They Share Keeping Vigil at Calvary
&**

Kick Off the Chester County 40 Days for Life Spring 2023 Campaign

For over 30 years the Sisters of Life have been closely accompanying women vulnerable to abortion as they navigate our ever changing and challenging culture. Learn effective means to address the pressures and fears that underlie why women are seeking abortion so as to empower them to choose life for themselves and for their children.

*Let us strengthen one another
as we seek to bring
Christ's light into the
darkness.*

Help save lives by praying for an end to abortion in your community
February 22 - April 2.
